

Call for Expressions of Interest
New England North West Art Escapes

Expressions of Interest are being sought to establish a New England North West (NENW) Art Trail. This is an Arts North West supported initiative that seeks to promote and develop visual art and cultural activities across the New England North West region. This project would follow on from the success of Art as an Industry that worked with visual artists and established a visual art network in the region.

Borderline Arts in Tenterfield has established an arts trail with local artists and venues including wineries, galleries, tourist destinations, and community centres. They have approached Arts North West with the concept of extending the arts trail further south. Initial canvassing of the steering party of the NENW Visual Arts Network Group (VANG), established as part of Arts as an Industry, reveals much enthusiasm for such a project. This project would have cross-regional tourism and cultural significance.

Interested parties could include, but not be limited to, artists, art venues, local businesses, tourism, galleries, studios, workshops, vineyards, community centres, council shopfronts, libraries, museums, restaurants and cafes and public art.

Please send your contact details and a brief description of your art or venue by Wednesday 30 June 2010 to Arts North West by email or post (see contact details below).

May 2010

Jane Kreis
Regional Arts Development Officer
Arts North West Regional Arts Board
